

What is storybook

Watch a short video about the tool here: <https://www.youtube.com/watch?v=p-LFh5Y89eM>

Website: <https://storybook.js.org/>

How to run storybook

On your local machine: `~/ $ cd cst-frontend && npm run storybook`

Gotchas

- all stories must be wrapped with the themeDecorator. Check out how this works in:
 - `/cst-frontend/.storybook/config.js`
